

United College, The Chinese University of Hong Kong  
**Teaching Associate Programme (Chinese Language) at Williams College, USA 2023-24**

United College is now inviting applications from the College final year students to apply for a Teaching Associate Programme (Chinese Language) at Williams College, USA in 2023-24.

**Williams College:**

Williams College is a private liberal arts college located in Williamstown, Massachusetts, United States. It was established in 1793 with funds from the estate of Ephraim Williams. Williams became co-educational in 1970.

Williams has three academic divisions (languages and the arts, social sciences, and science and mathematics) that encompass 25 departments, 36 majors, and several concentrations and special programs. Williams has small class sizes, with a student to teacher ratio of 7:1. The school also has Oxford-style tutorials, which rely heavily on student participation.
