Language: Cantonese

Class Dates: 3:30 pm-5:15 pm, Fridays  
28/1, 11/2, 19/2, 25/2, 4/3, 25/3/2022

Class Venue: Room 203, Esther Lee Building, Chung Chi College

**Course Overview:**

This course is designed to equip students with a basic understanding of social entrepreneurship through whole experience learning, not just the actual academics. Social entrepreneurship education is about collaboration, multi-disciplinary learning, learning-by-doing, problem-solving and tackling the “real” problems. Through self-reflection, small group discussion, experiential learning by participating in social enterprise workshops and project presentation, students will be able to understand more the needs of underprivileged groups and the challenges of social enterprises. The purpose of this course is to facilitate students to learn more about the societal needs of the community and develop an innovative-mindset to solve social issues.

**Grade Descriptors:**

Pass: (All learning outcomes/assessment criteria have been met)

The work demonstrates most or all of the following characteristics in relation to those expected at the given level of study within the discipline:

- Adequate to good understanding and exploration
- No significant inaccuracies, misunderstandings or errors
- The specifications for the assessment task, including word limit/time limit where appropriate, have been adhered to
- The outside classroom activities are well organized, coherent and the standard of presentation, including referencing where appropriate, is up to standard
- Appropriate contextualization, including relevant theory/ literature / artefacts / performance
- Evidence of quality analysis, synthesis, reflection and critical appraisal.

Fail: (One or more key learning outcome/assessment criterion has/have not been met)

The work fails to meet the requirements in relation to those expected at the given level of study within the discipline, exemplified by any of the followings:

- Poor understanding and exploration of ideas
- Some significant inaccuracies, misunderstandings or errors
- Not participating required classroom activities, including group presentations
- Not participating required outside classroom activities, including service projects or visit to organizations
- No evidence of analysis, synthesis, reflection and critical appraisal
- Insufficient attention paid to some of the assessment criteria and some significant aberrations from the specifications for the assessment task

## Learning Objectives and Outcomes:

Upon completion of this course, student should be able to:

1. Get a basic understanding about the nature and types of social enterprises
2. Identify the societal needs of underprivileged groups in Hong Kong
3. Understand the strategic positions of social enterprises in societal betterment
4. Understand the advantages of social enterprises in response to societal needs
5. Plan to solve a real challenge that social enterprise is facing

## Teaching and Learning Method:

The course will be presented by lectures with guest speakers from social enterprises, discussion, interactive social enterprise workshops, on site visit to social enterprises, if needed. Real case sharing, videotapes and exercise will be used to convey the concepts and principles of social entrepreneurship and underprivileged groups. Recommended readings are set for further reflection and understanding of the topics. The class will be divided into small groups with no more than 5 students in 1 group, each group is required to give a final presentation. Students' active participation in social enterprise workshop and in class are highly encouraged. Discussion board on Blackboard is set to provide for discussion beyond classroom.

## Course Schedule:

Class	Lecture Themes	Date	Time	Duration
1	What is Social Innovation/ Social Enterprise? Social Enterprises in Hong Kong	28/1/2022	3:30 pm – 5:15 pm	2 hours
2	Innovative Mindset – Turning Problems into Innovative Ideas	11/2/2022	3:30 pm – 5:15 pm	2 hours
3.	Social Enterprise Workshops - <b>Compulsory visit to social enterprises founder / front-line staff (outside campus)</b>	19/2/2022	2:00 pm – 5:00 pm	3 hours
4.	Real Cases Sharing by Social Entrepreneur in Understanding their Missions and Challenges	25/2/2022	3:30 pm – 5:15 pm	2 hours
5.	Resourcefulness & Sustainability (United Nation's Sustainable Development Goals 11 & 12)	4/3/2022	3:30 pm – 5:15 pm	2 hours
6.	Final Presentation and Evaluation -Present an idea how to support a selected underprivileged group	25/3/2022	3:30 pm – 5:15 pm	2 hours

1. Conceptualization and training lectures: 4 x 2 hours = 8 hours
2. Social enterprise visit: 1 x 3 hours = 3 hours  
(All students are required to participate in the workshops, in order to get an opportunity to interact with the underprivileged groups and understand more about the social mission and challenges those social enterprises are facing.)
3. Project presentation and evaluation in classroom: 1 x 2 hours
4. Online sharing on Blackboard

### Course Requirement & Assignment:

Students will be assessed according to the following

1. Attendance: Attendance of the social enterprise workshop and final presentation are compulsory. 3/4 of attendance in lectures is required. Failure to comply with the attendance requirement will lead to failure in this course. Punctuality for classes is greatly appreciated.
2. Participation: Students are expected to participate actively in class activities. They are expected to explore related information with initiatives and read recommended readings, as well as prepare for and participate in discussions.
3. Social Enterprise Workshop cum Presentation: The class will be divided into small groups with no more than 5 students in 1 group, each group is required to give a short presentation in regards to the designated social enterprise or selected underprivileged group. The presentation is expected to provide an idea to enhance the well-being of this designated social enterprise or selected underprivileged group.
4. Personal Reflection Writing: Each student will submit a reflection writing between 500-1000 words individually, the required reference is either at least 1 chapter among the recommended book list or an interview with a social enterprise founder/leader.

### Course Assessment Scheme

- |                                      |      |
|--------------------------------------|------|
| 1. Participation                     | 20%  |
| 2. Peer Review                       | 10%  |
| 3. Group Presentation cum Discussion | 35%* |
