For other alternative activities such as lectures and high table dinners, activity details will be announced on the UC College Assembly website.

【Content and Format】

Guest speakers of different fields/ professions are invited to deliver talks at College Assemblies, whilst other formats like group discussions and performances will also be arranged. College Assemblies cover a variety of topics: culture, art, science and social affairs, enhancement of student personal growth, etc.

【Ticket Registration / Arrangement for Those Without Prior Registration】

All assemblies require students to register for tickets in advance via the system at <http://www.cuhk.edu.hk/ras> before attending. **Note:** Owing to seat capacity (and other physical limitations) of venues, only a small number of seats may be available for students who have not registered in advance (walk-ins).
